New Business

- Football parent would like to move his son down to the next level. Son is not having fun and should be at that level, but his age is allowing him to move up. He only wants to play flags and would like Brian to take to league to see if son can play down.
- Volunteer hours- Each sport should have their own set up and track volunteer hours. There are different needs for each sport. Volunteer hours would be per family not per child. The money for volunteer hours will be charged upfront at registration time. Need to begin keeping track of volunteer hours starting January 1, 2020 with a Google Doc.
