### **WE NEED YOUR HELP**

Become active and join the FTAA today! All our monthly meetings are open to the public. With new members we can continue to grow the organization, do fundraisers to help keep costs down, and create new opportunities for the kids.

At every meeting the public can speak and participate in discussions. By attending two meetings, you become an active member and gain the right to vote on all motions. To maintain your membership, you only need to attend four meetings every year. Please consider joining us at our next meeting!
